Mrs. Lois Miller has taught English at Buena Vista High School for many years. She has unselfishly given of her time and energy to help the young people at this school make it a better place.

Many people are not aware of the things that Mrs. Miller does to make our yearbook a success. Despite all the changes Buena Vista High School has gone through, Mrs. Miller kept the faith and assisted in many extra-curricular activities because she cares about young people.

Thank you Mrs. Miller. Your work is appreciated.

In Memory Of Latasha Porter

Latasha Porter was a junior here at Buena Vista High School. On October 11, 1990, Latasha died. She is in our thoughts and greatly missed. Our condolences are extended to her family and close friends. God only picks the most beautiful flowers for his garden.

Dr. Joseph H. Payton, Principal

Dr. Payton says "Buena Vista High School is creating an educational movement and a belief system that all students will be intellectually and humanistically competitive on an international basis. It has adopted the attitude that success is built on commitment to do whatever it takes to increase student achievement and enhance student character development.

Buena Vista High School is seeking and securing the commitment from parents who first serve as our students most infuential teachers. They will reinforce the belief that they are responsible for generating the love of learning.

Therefore, throughout their education, students have developed the mindset that teachers have a right to teach and students have a right to learn and no one shall enterfere with each other's right.

Consequently, the time is now for Buena Vista High School to prepare for the challenges ahead and to become a light for those with a passion and belief to touch perfection."

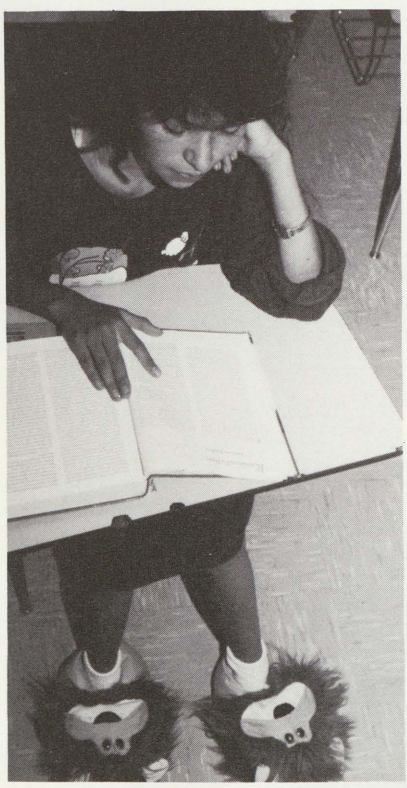
Proving Our School Spirit

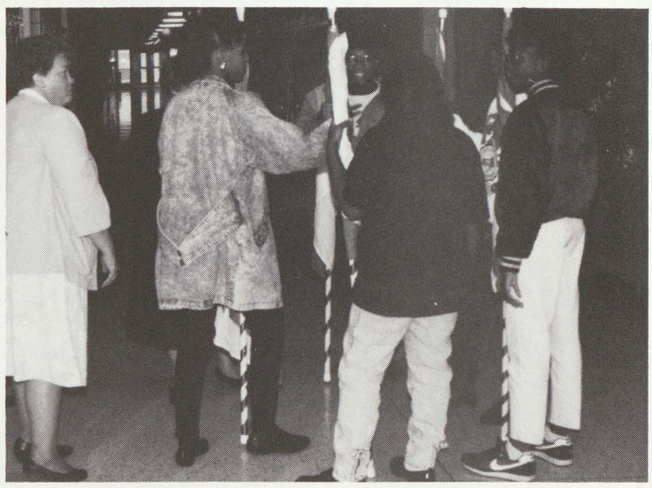
Spirit Week here at Buena Vista included many activities. On Friday, September 28, the Knights worked to prepare their designated halls for Monday. On Monday, October 1, the winning Knights came dressed in their pajamas. After school we rushed home to raid the closets of our parents to prepare for Tuesday, which was Old Fashioned Day. The dress for Wednesday was that of our favorite college or university. The Knights were really looking classy on Thursday as it was the official dress-up day. To really get in the mood, the Knights wore blue and white to end the week's festivities. The homecoming game and half-time ceremony topped off the perfect week.

THE ENCHANTED SOPHOMORES



Pep Rally

The first pep rally of the year began with much excitement. Many preparations were made before that day. Practices for the flag carriers and other participants in the program were held several days in advance. Signs were made for each of the classes and signed by individual students.



The day of the rally arrived. Pam Grays and Pervis Jackson were the announcers for the ceremonies. The students assembled in the gym and waited for the activities to begin.

The cheerleaders led the students in some rousing cheers, the fight song and the alma mater. Each class tried to be the one that could show the most spirit by the volume of its cheer. Not all of the students were involved, but it was an opportunity to be with friends and talk about homecoming.

The 1990-91 football team was introduced to the students. They wanted to demonstrate their enthusiasm for a victory on Friday night.

Mr. Crosby, interim principal, spoke to the classes about sportsmanship, school spirit and loyalty.

The pre-coronation ceremony was indeed a truly unforgetable one! Among the exciting events of the evening were the presentation of the court, the coronation of our Prince and Princess, and the final walk of the 1989-90 king and queen. The ceremony opened with a warm greeting from the mistress and master of ceremony, Trevina Dukes and Antonio Pelt. U.S. Marine Honor Guards, Sgts. Raymond and Freeman, took their places on stage as the audience prepared for the entrance of the high court. The members were presented as couples. The gentlemen escorted the ladies to a routine dance and afterwards each couple dazzed the crowd with their individual dance. The evening closed with interim principal Mr. Crosby acknowledging the parents of the court members. This was a ceremony to remember!

The homecoming game took place on October 5, 1990 at 7:30 P.M. The Knights' football game was against Heritage High School. The score of this game was the only disturbing occurence on a night filled with excitement and joy. Halftime ceremonies, which began with a parade of the members of the court, was full of pagentry and crowning glory. Trophies were presented to the court by Buena Vista School Board President, Thomas Casey, Jr. The king was crowned by Superintendent, T.C. Wallace, Jr., and the queen was crowned by Assistant Superintendent, Vivian Brown.

The winning Knight varsity football team ended its season with a 2-7 overall record. Although the Knights won only their first two games, they never lost team spirit or faith in themselves.

The confidence that our team had was due to the constant encouragement and praise from their coach, Jon Brandi. Mr. Brandi has been the coach at Buena Vista for the past two years. Because of Coach Brandi's resignation, all of us here at Buena Vista would like to express our sincere thanks for the time that he spent with our team. We will never forget him and he will always be a winning knight of the highest order.

The NHS, Eco-Impact, Student Senate and high school staff collected food products to pack basquets for the needy. Other senior students were helpful in the collection. Over $150.00 was collected to purchase perishable goods. Sixteen families received baskets which were delivered by teachers and students.

Mrs. Gray's first hour class won the pizza party for most canned goods collected per student.

Over 1,000 canned products were left and these were donated to the Saginaw Soup Kitchen.

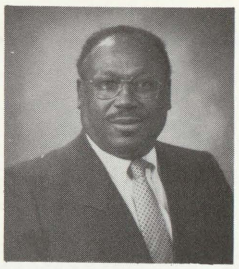
Message from Township Supervisor and Manager



Supervisor of the Buena Vista Township Board of Trustees, Leon Clark

This is the first Annual Report published by the Township. It meets one of the Township's goals of providing better public relations and a positive image. 1990 was a year of many changes and accomplishments by the Township Board of Trustees. The cover of this report shows our new Township Hall which will provide many years of service to our employees and convenience to our residents. **New water lines were added around Indiantown and better lighting was installed in most areas of the Township.** Many Township businesses are expanding which increases employment and adds to our tax base. The Township has a new community newspaper, *The New Buena Vistan*, which will facilitate communication among residents, schools and government. In our ongoing efforts to maintain the quality of life in Buena Vista, road and drainage projects were completed, **22 housing units were rehabilitated** and low-income loans were processed.

Township Manager Joyce Parker

Our fine Fire and Police Departments continue to provide constant protection for our residents. **Serious crime has dropped 31% and fire losses are down 47%.** Medical rescue responses have risen and have saved many lives. In 1991, we look forward to the expansion of the Lions Park which will provide a complete recreational center for our residents. Together we can make Buena Vista a fine community in which to live and work.

We would like to hear from citizens in Buena Vista. Please contact the Township office (754-6536) with any comments you have about this Annual Report in terms of communication and benefit.
